

## COMPOSITING ARTIST (M/W)

Mackevision Medien Design GmbH is one of the global market leaders in Computer Generated Imagery (CGI.) It provides data-based 3D visualization, animation and visual effects. The company designs and produces image and film material along with interactive applications with high-end quality. It also develops technological solutions for image creation and supports the entire CGI process from data preparation to the creative design to the final product. The international team supports major brands, middle-sized companies and their agencies. Mackevision was founded in 1994 and has been part of Accenture Interactive since 2018.

### RESPONSIBILITIES:

- Implement projects from the automotive sector in a technically advanced pipeline
- Work with specially developed tools on complex projects using Nuke software
- Pay special attention to a neatly organized structure of your scripts
- Work with customers from the premium sector with the highest standards of quality and aesthetics
- Work both independently and as part of a highly motivated team
- Involved in the ongoing development of workflow and production pipeline
- Work closely with the Lead Artists, Supervisors and Art Directors
- As a senior, you are responsible for the professional guidance of artists and provide them with advice

### QUALIFICATIONS

- You are independent, organised, work conscientiously and have a keen interest in technically demanding workflows
- You have an excellent eye for detail and a very good visual imagination
- You are motivated to learning and using new processes and software
- Ideally have already done visualizations for customers from the automotive sector
- You have very good knowledge in Multipass Compositing with Nuke, knowledge of Deep, Expressions and Scripting in TCL and Python are an advantage
- A completed degree in CGI is a plus, but a lateral entry is also possible
- You have very sound knowledge of English and German

### WHAT WE OFFER

- Development opportunities in a growing company
- Further training opportunities in and outside your specialist area
- Friendly team of experts with a sense of humour
- modern equipped offices in a central city location
- Subsidy for company pension schemes, public transport and parking spaces
- Various company events such as Christmas party, summer party, open seminar program, team events, and much more.
