

SENIOR PROJECTMANAGER

WE CREATE NEW REALITIES

Mackevision Medien Design GmbH is one of the global market leaders in Computer Generated Imagery (CGI.) It provides data-based 3D visualization, animation and visual effects. The company designs and produces image and film material along with interactive applications with high-end quality. It also develops technological solutions for image creation and supports the entire CGI process from data preparation to the creative design to the final product. The international team supports major brands, middle-sized companies and their agencies. Mackevision was founded in 1994 and has been part of Accenture Interactive since 2018.

RESPONSIBILITIES

- Project planning and organization, mainly in the areas of still production and configurators
- Project calculation preparation and production expense evaluation
- Building and maintaining a trust-based relationship with our customers, production departments and partners
- Assuming organisational, technical and financial responsibility for complex, cross-departmental, cross-location and international projects
- Consistent project controlling from offer phase to project delivery
- Project team organizational and technical leadership
- Central communication interface (internal and external), for all aspects of the project

QUALIFICATIONS

- Degree in media studies or comparable education
- Several years of professional experience as a project manager (3 to 5 years minimum)
- Comprehensive knowledge of CGI and image production is an advantage
- Experience in dealing with customers and the associated service concept
- Experience in the automotive industry is an advantage
- Structured working, stress resistance and resilience
- Organisation and negotiation skills as well as reliability and ability to work in a team
- Very strong written and spoken German and English skills

WHAT WE OFFER

- A motivated and friendly team with a sense of humour
- An interesting, independent and varied job
- Opportunity to actively participate in the development of a young and dynamic company
- Modernly equipped offices in city centre location
- Subsidy for company pension schemes, public transport and parking spaces
- Various company events (open seminar program, mystery lunch etc.)
